Comments:	<p>Several counties have provided these forms on a regular basis in the past. They have requested it also be available on CCAP. RMC has no concern with providing blank forms that are expected to be completed by the parties. However, RMC has reservations about providing these forms with information generated from CCAP. RMC's concerns are that completing these forms may be construed as the practice of law, and errors may create potential liability.</p> <p>RMC recommends that each county give careful consideration to its policy on how to use this form.</p>
