Re: Business Court Pilot Project

Dear Chief Justice Ziegler and Members of the Supreme Court:

I am writing both in my capacity as President of Ruder Ware, L.L.S.C., with offices in Green Bay, Wausau, and Eau Claire, and as a member of the Board of Directors for the Wisconsin State Bar’s Business Law Section. In both capacities, I would like to indicate continued support of the Pilot Project for Dedicated Trial Court Judicial Dockets for Large Claim Business and Commercial Cases (the “Pilot Project”). With respect to the State Bar’s Business Law Section Board of Directors (the “Board”), although I am writing as an individual director, our Board discussed the Pilot Project at a meeting earlier this week and re-confirmed our continued support for the Pilot Project. Our Board’s understanding is that the Wisconsin Supreme Court’s file materials relating to the Pilot Project would reflect the Board’s continued support of the Pilot Project.

With respect to the Ruder Ware law firm, we also continue to support the Pilot Project and would like to see it extended and expanded over time. We very much appreciate the Wisconsin Supreme Court’s continued attention to and consideration of the Pilot Project.

Very truly yours,

RUDER WARE
